THE NICOLE ELLIS FOUNDATION

The mission of the Nicole Ellis Foundation is to keep Nicole's spirit and passion alive in our memories by doing what she loved to do best... help others. The Foundation does this through contributions to selected non profit organizations, including:

- The American Liver Foundation mission is to facilitate, advocate and promote education, support and research for the prevention, treatment and cure of liver disease.

- The MU Ethnic Alumni Association, which focuses its efforts on the needs of Marquette University alumni and students of color. It promotes networking opportunities for alumni, along with recruiting, mentoring and fundraising for current minority students.

The Grand Geneva Resort and Spa is holding rooms for Monday and Tuesday night at a special Nicole Ellis Foundation discounted rate. For further information on all that Grand Geneva has to offer, please visit grandgeneva.com.

The Nicole Ellis Foundation would like to thank to the following former Marquette University Basketball players for committing to the golf outing:

Remembering Nikki

2nd Annual Warrior Day Outing to Benefit The Nicole Ellis Foundation

Tuesday, July 21, 2009

**The Brute
Grand Geneva Resort & Spa**

The Ellis family appreciates your participation and welcomes back everyone who participated in the first Warrior Day Golf Outing, making it a huge success benefitting The Nicole Ellis Foundation.

Nicole Shawnte' Ellis ("Nikki" to all who knew and loved her), was a 2000 graduate of Marquette University. She was 24 years old, completing her master's degree at Chicago State University and working at Krohn & Moss, Consumer Law Center in 2003, when she became ill. Tests showed that Nikki had developed a very rare liver disease called Budd Chiari. Three weeks later, that disease took her life, but not her great spirit. Nicole was our angel, but God decided that he could take so much better care of her.

This golf outing in Nicole's memory will benefit the Nicole Ellis Foundation, a 501 (c) 3 corporation. Proceeds will benefit the American Liver Foundation and the Marquette University Ethnic Alumni Association. Through the storied generosity of spirit of the Marquette family and the Greater Milwaukee and Chicagoland communities, this has all come together.

Our Nikki was so full of life and involved with so many passions. Among them were Marquette sports.

She loved Marquette's men's and women's basketball so much that she joined the women's team as a manager. Nikki just wanted to contribute in whatever meaningful way that she could.

Nicole had decided early in life to be an organ donor, and she proudly displayed that fact on her driver's license. Unfortunately, her sudden liver disease compromised all her organs—except, of course, her heart. She would be so happy to know that, through you, she is still showing her great heart by helping others. Her life meant a great deal to us, and we truly appreciate your involvement with this foundation, which assures us that her memory will always be kept alive.

Sincerely,

Bo, Candy, and Christina Ellis
